

Terry C. McInturff Guitars, Inc.

Options Page as of January 2007

1. Standard Options for all models at *no extra charge* include the following:

Neck profiles Standard (.835 to .870), '57 (.900 all the way down the neck, no taper), Mild Vee (.900@ 1st fret, 1.0@ 10th fret).

Standard Finishes. All nitro lacquer

Cherry, Tangerine, Old Gold, Emerald Green, Black Opaque
(any finish I offer is n/c on Taurus Custom, Gemini, Carolina, Taurus TOL)

Scale lengths

25.125" or 24.625 (not available on TCM TerryCaster)

Tuners

Sperzel locking, Gotoh SG510 or Gotoh "Kluson" style

Bridge and Tailpiece

"Nashville" style tuneomatic (n/c all models), Stop tailpiece (n/c all models), intonatable wraparound bridge/tailpiece (n/c on all models), TonePros AVR-2 bridge/ one piece milled aluminum stoptail (n/c on Taurus Custom, Carolina, Gemini, Taurus TOL)

Control layout/placement

Any of the control layouts that I offer are n/c on Taurus Custom, Gemini, and Taurus TOL. The other models feature a standard layout for that model, with others available at a modest up charge.

Pickups

Custom wound units from DiMarzio, as well as a number of Seymour Duncans are standard for all models...however, a number of custom units from Lollar, Wolfetone, and VooDoo are stock on the Taurus Custom, Carolina, Gemini, TerryCaster, and Taurus TOL.

2. Customized Options

These are options that are available and which often (not always) carry an up charge

1. Custom neck profiles 380 retail

These are customized to a client's request. We can copy an existing neck if it is provided to us at the appropriate time. Fretboard radii other than our standard 12" are available, but only if the guitar has individually height-adjustable saddles; otherwise, 12" is the norm.

2. Finishes

Note that ANY finish is included in the price of the Taurus Custom, Carolina, Gemini, and Taurus TOL

Optional stain finishes (maple tops/headstocks only) 300 retail

These striking colors include the following:

EARTH TONES

Supernatural, Gunstock, Old Gold Stain

BLUE TONES

Shetley Blue, Surf Blue

PURPLE TONES

UltraViolet

GREENS

Forest Green, Teal

BLACK

Black Transparent

Optional Multi Stain/ Multi Stage finishes (maple tops/headstocks only) 400 retail

Work intensive, multiple stage finishes that maximize figure and depth. Very striking!

These include Honeybee, Tigerburst, Black Rose, Peacock, Double-Dip Cherryburst, Deep Purple, Double Old Gold, Double Blue Burst, Brockburst, TeaBurst

Bursted Finishes 300 retail

AmberBurst, CherryBurst, TobaccoBurst

3. Pickups

The Taurus Custom, Carolina, TerryCaster, Gemini, and Taurus TOL all feature "boutique" units from Lollar, Wolfetone, VooDoo at no up charge.

There is a vast array of pickup options available for all models...please inquire!

4. Hardware

You can assume that just about any appropriate bridge, tailpiece, etc is available at no extra charge on the Taurus Custom, Gemini, and Taurus TOL models.

Non-locking vibe bridge 200 retail, (not avail on Carolina)

Gold hardware 150 retail,

5. Woods

A wide array of materials are available. Woods other than the standard materials are available on a DRP basis. This is of course an important topic, and I ask you to please call me with any questions.

6. Solid Indian Rosewood neck 500 retail

I go to extra lengths to properly cure this material. The result is a very stable neck indeed! These necks are finished with a Tung Oil finish, and feature a matching IRW headstock face.

7. Binding Package 1000 retail

Ivoroid bound top, fretboard, and headstock

8. Pearl Package 1000 retail

Includes mother-of-pearl TCM “vine” fretboard inlay, and matching pearl “Terry C. McInturff” inlay on headstock face.

9. Other inlays

Available on request...please inquire!
